WE ARE Hiring

TN READING RESEARCH CENTER

The Tennessee Reading Research Center is hiring a student graphic designer to assist with the development of animated videos and interactive eLearning content. Pay is $12 per hour for undergraduates $15 per hour for graduate students. The expected time commitment is 10 hours of work per week.

STUDENT GRAPHIC DESIGNER

RESPONSIBILITIES
- Design and modify animated videos and eLearning videos that are engaging to middle school students and teachers
- Collaborate with our project manager to update and enhance eLearning content
- Meet weekly goals for content development
- Arrive to work on time, ready to work, and dressed appropriately (business casual)
- Conduct themselves professionally within the work environment

REQUIRED QUALIFICATIONS
- Attention to detail
- Experience creating graphical or media representations of information
- Ability to accept feedback and adapt products accordingly
- A strong work ethic
- Ability to learn new design software as needed
- In-depth knowledge of and experience using video animation and eLearning development software
- Ability to work independently or as part of a team
- Must be currently enrolled as a student at the University of Tennessee

PREFERRED QUALIFICATIONS
- Experience developing animated videos or multimedia presentation formats using Vyond, Adobe Captivate, or other software, tools, and programming
- Experience with Adobe Suite, especially InDesign, Illustrator, and Animate.

STUDENTS WILL:
- Gain experience working in a professional environment
- Be a contributing member of a small team at a center dedicated to improving the literacy skills of students in Tennessee
- Practice transferable job skills such as attention, focus, organization, and time management
- Receive feedback on their performance
